The minutes from February were approved with several changes.

LECS Director's Report, reported by Ronnie DeNoia

Building:

On Friday, February 19, we (Charles Frederick, Jordan Clark, me) met with the Trustees at the Downtown Baptist. There were four sticking points to be ironed out. After an hour long meeting and a walk through of the building, we were able to resolve the issues. I will be submitting a transportation plan in the next 30 days to the City of Orlando. I am reluctant to give a signing date for the lease as too many times I have given the date and it has not materialized. I will call a meeting when that happens. I would, however, like to give that news at the next General PTSA meeting, which is March 23rd.

Finances:

Foundation \$106,850.24

Miscellaneous

- 2nd trimester RC out
- March 3 lottery –library

- FCAT next week
- Field Day is March 19
- Oration Contest-March 23
- Rollins Report-available on line-suggestions include new logo, tag line, recoloration of website.
- Survey was sent to OCPS, results pending; results mostly positive with some improvements to be referred to SIP Committee

Extra notes in addition to Ronnie's report:

- There was some discussion about how to deal with the fact that over 300 students from The Christ School and over 200 from Lake Eola Charter School will be dismissing at the same time.
- There are close to 700 people on the school's waiting list for the Lottery.
- Ronnie said that the results of the Rollins focus groups will be posted on the website. She said the students did better with knowledge about the school's symbols than the parents did.
- Ronnie read most of the comments from the surveys. When she gets the tabulated results back, she and Carrin will type them up for the next SAC meeting.

Committee Reports

Fund Raising, written and reported by Ronnie DeNoia

Full force solicitation for the online auction is taking place. Date is April 26-May 7

After School Committee, reported by Carol Dierksen

- Carol said that yoga is not happening now because only five students signed up instead of the required eight.
- Carol also said that Mrs. Tamborello is losing some students in the drama club to spring sports, so she would like to open the class to third graders.

Business Partners Committee, reported by DeVonna Craner

- DeVonna reminded everyone that there is a fundraiser tomorrow night at Brick and Fire. Mr. Hughes would like as much money as possible for the field trip to the Holocaust Museum.
- She gave Cindy Hamilton the contact information for McDonald's to see if they would donate things for Field Day.
- DeVonna also said that she recently realized that she knows someone who owns a bounce house business. Ronnie said it's probably too late for this year's Field Day, but DeVonna will still give the name to Cindy.

Curriculum Committee, reported by Jillian Friedman

- Jillian had nothing to report.

Technology Committee, reported by John Mays

- Through an e-mail, John said, “Nothing to report for last month. I would like to request a time and date to have another cleanup this month or the first week in April.”

Old Business

- There was no old business.

New Business

- Sharon said that PTSA would like to do some kind of party to say farewell to this building before we leave it. PTSA wanted to know if SAC members are on board with this. There was some discussion about the date for the party; the end of this year, Meet and Greet at the beginning of next year, January 2011, and the day before Thanksgiving break were all discussed.
- Carol asked if Ronnie had signed the school up for Disney’s “Give a Day, Get a Day” program. Ronnie said she had not because it is a requirement for parents to do some volunteer hours for the school. Carol said maybe she could, and then ask the parents to donate the ticket to the school to help with the end of the year field trips.

The meeting was adjourned at 7:15.

The next meeting will take place on Monday, April 5, 2010, in the school library.
