Directors Report, reported by Luanne Schendel:

Foundation account balance: \$79,856.04.

Report card conferences just finished on Friday. Many teachers had 30-40 conferences. Morning meetings are coming together every week and the whole school comes together to say the pledge and a group of CL3 students are coming together to run these meetings. Some fundraisers have been discussed. School guardian is on campus now full-time. LuAnne states that he is very helpful, pleasant and is involving himself in the school. OCPS is sending counselors 1-2X a month now and is pulling small groups to build relationships. They are also going into the 4th and 5th grade classrooms and presenting on making friends and being courteous to one another, they also offered an in-service for the staff on the last PD day. Most PD days are scheduled this year. Nicole and Jillian did a presentation on narrative report card, Rick from Sanford Harmony and a presentation on Compassion Fatigue.

Fundraising: Nothing new to report on parents filling the open SAC positions. Scholastic book fair funds are designated as SAC's to designate. Cate brought up Krispy Kreme offers a fundraising opportunity selling donuts or voucher cards.

Jasmine Bacon, a parent and 5th-grade student, Jerry Bacon, presented an idea to have a Faculty/Student/Parent basketball game as a fundraiser to assist with the 5th grade trip to Tallahassee. Jasmine Bacon proposes a 30-40 minute game during the school day for all students to attend. It is proposed that it be held at Trinity Downtown. SAC expresses concern about background checks as Jasmine Bacon states that Trinity is requesting background checks for all adults in attendance. SAC expresses major concern as background checks can

run upwards of \$60 each. It is proposed that the date would be the Friday prior to Winter Break. There is a concern about the timeline and background checks. SAC members state that logistically it would be difficult to close the school for a fundraiser. DeVonna is requesting that Jasmine find out about background checks. DeVonna suggests that the idea needs to be fine-tuned. It was then proposed to have a basketball game as a fun activity schoolwide. Jillian says that she thinks that there would not be a lot of staff participation and that this idea could be better suited for PTSA or Dad's Club. DeVonna has suggested that Jasmine Bacon reach out to PTSA and Dad's Club, get additional details and SAC can add it to the agenda for January.

Facilities, presented by Sharon: Nothing to report.

Curriculum, presented by Cate/ Jillian: Nothing new to report.

After-school, presented by LuAnne Schendel on behalf of Amy Halstead: The yoga teacher would like to add another day. LuAnne will reach out to yoga teacher to find a day of the week.

Old Business:

New Business: Staff concerns: Bringing back Art and Music classes. This is not financially possible. DeVonna suggests that local schools perform at the school during the school day. Cate suggests a weekly music teacher come in.

Next meeting: January 14, 2020
